

**VITA**

**Jonathan M. Campbell**

Professor

Educational, School, and Counseling Psychology  
University of Kentucky

[jmca244@uky.edu](mailto:jmca244@uky.edu)

**I. Academic History**

Present rank: Professor

Tenure status: Tenured

Administrative title: None

Professional certifications: Licensed Psychologist – Health Service Provider Designation, KY (#1741)

Graduate Faculty status: University of Kentucky:  
Graduate Faculty Status, August 2012 – Present.

University of Georgia:  
Provisional Graduate Faculty Status, November, 2001  
Full Graduate Faculty Status, April, 2004 – October 2011.  
Reappointed to Graduate Faculty, October, 2011-August 2012.

Highest degree: Doctor of Philosophy, University of Memphis, 2000

Academic positions held: May 2013 – December 2015  
Program Chair, School Psychology  
University of Kentucky

August 2012 – Present  
Co-Director  
Clinic for Autism Spectrum Evaluation and Research  
(CASPER Clinic)  
Department of Educational, School, and Counseling  
Psychology  
University of Kentucky

August 2012 – Present  
Professor, Department of Educational, School, and  
Counseling Psychology  
University of Kentucky

August 2012 – Present

Adjunct Professor, Department of Educational  
Psychology and Instructional Technology  
University of Georgia

August 2012  
Professor, Department of Educational  
Psychology and Instructional Technology  
University of Georgia

August 2006 – August 2012  
Associate Professor, Department of Educational  
Psychology and Instructional Technology  
University of Georgia

August 2008 – August 2011  
Program Coordinator, School Psychology Program  
University of Georgia

August 2004 – August 2006  
Director, School Psychology Clinic  
University of Georgia

August 2001 – August 2006  
Assistant Professor, Department of Educational Psychology  
University of Georgia

January 2006 – June 2013  
Adjunct Professor, Department of Psychology  
University of Georgia

July 1999 – June 2001  
Psychology Fellow  
Yale Child Study Center  
Yale University School of Medicine

May 1995 - July 1995  
Instructor, Department of Psychology  
Western Carolina University

**Student advisement**

1. Doctoral dissertations directed

Davis, M. C. (in progress). Teaching Social Skills to Individuals with Comorbid Down Syndrome and Autism Spectrum Disorder: A Single-Subject Design Study

Caldwell, E. A. (in progress). Typical Peers' Perceived Social Self-Efficacy towards Students with Autism Spectrum Disorders

- McDonough, J. D. (2015). Examining the cross-cultural validity of three early autism screening instruments.
- Dommestrup, A. K. (2013). Functional analysis of verbal behavior for children with autism: A partial replication and treatment investigation.
- Barger, B. D. (2013). Investigating the role of personality facets differentiating children with autism spectrum disorders from typically developing children.
- Segall, M. J. (2011). Exploring student and teacher variables relating to inclusion of students with autism spectrum disorder in general education classrooms.
- James, C. L. (2009). Adherence to daily controller medication for pediatric asthma: Testing a theoretical framework.
- Vess, S. F. (2008). The efficacy of parent-child interaction therapy (PCIT) for families of children with autism spectrum disorders.
- Moon, K. F. (2008). A behavioral profile of preschool-age children with autism spectrum disorders.
- Cavanagh, S. E. (2008). The impact of information source on middle school students' attitudes towards peers with autism.
- Morton, J. F. (2008). The role of attitude in social interaction in inclusive educational settings.
- Herzinger, C. V. (2008). Assessment and treatment of maladaptive behavior within the developmental disability literature: Impact on outcome variables.
- Jones, L. (2007). The validity of autism subtyping by history of language regression: A comparison study of clinical characteristics.
- Jackson, J. N. (2006). A validation of teacher tutor selections for children with autism and concordance rates with student nominations.
- Gil, A. (2005). Repressive defense style, disease severity, and mental health of children with inflammatory bowel diseases.

## 2. Masters theses directed

- Simmons, C. A. (2014). Evidence-based practice in homeschools: Identifying needs and developing parent training.
- McDonough, J. D. (2011). Measuring autism traits in a well-defined sample: A confirmatory factor analysis of the Social Responsiveness Scale.
- Dommestrup, A. K. (2010). Impact of parent-child interaction therapy on the quality of the relationship between caregivers and their children with autism.

Segall, M. J. (2007). Inclusion of students with autism spectrum disorder: Educator experience, knowledge, and attitudes.

Ferguson, J. E. (2005). Effect of source of information on the introduction process of a child with autism into a general education classroom.

Herzinger, C. V. (2005). Comparing functional assessment methodologies: A quantitative synthesis.

### 3. Masters committee memberships

University of Georgia:

#### Within the Department of Educational Psychology and Instructional Technology

Justin Miller (School Psychology, Graduated)

Will Lindstrom (School Psychology, Graduated)

Beth Meisinger (School Psychology, Graduated)

Karen Talley (School Psychology, Graduated)

Nicole Barned (Applied Cognition and Development, Completed)

Matthew Lovelace (School Psychology, Completed)

John Ross Brown (School Psychology, Completed)

Julie Boyd (School Psychology, Completed)

#### Outside of Educational Psychology

Bonney Reed-Knight (Clinical Psychology, Completed)

Megan McCormick (Clinical Psychology, Completed)

Jordan Gilleland (Clinical Psychology, Completed)

Mary Payne (Clinical Psychology, Graduated)

Amy Carbo (Special Education, Graduated)

Katie Devine (Clinical Psychology, Graduated)

Cornelia Taylor (Child and Family Development, Graduated)

Seoyoung Shon (Special Education, Graduated)

Laura Simons (Clinical Psychology, Graduated)

Sarah Berezna (Special Education, Graduated)

Molly Smith (Special Education, Graduated)

University of Kentucky:

Rangeeta Gurung (Interior Design, Graduated 2014)

Abigail Love (Educational Psychology, In progress)

### 4. Doctoral advisees

University of Georgia:

Armande Gil (School Psychology, Graduated, 2005)

Jennie Jackson (School Psychology, Graduated, 2006)

Lauren Jones (School Psychology, Graduated, 2007)

Jane Morton (School Psychology, Graduated, 2008)

Caitlin Herzinger (School Psychology, Graduated, 2008)

Kathryn Moon (School Psychology, Graduated, 2008)

Sarah Vess (School Psychology, Graduated, 2008)

Carrah James (School Psychology, Graduated, 2009)  
Sarah Cavanagh (School Psychology, Graduated, 2009)  
Matthew Segall (School Psychology, Graduated, 2011)  
Brian Barger (School Psychology, Graduated, 2013)  
Aila Dommestrup (School Psychology, Graduated, 2013)  
Jaimi Donald (School Psychology, Graduated, 2015)  
Christina Simmons (School Psychology, In progress)  
Christine Marino (Completed Ed.S.)  
Kelley Tarwarter (Completed Ed.S.)

University of Kentucky:

Cydney Jackson (School Psychology, In progress)  
Elizabeth Caldwell (School Psychology, In progress)  
Matthew Davis (School Psychology, In progress)  
Kirsten Scheil (School Psychology, In progress)  
Rachel Jacob (School Psychology, In progress)

5. Doctoral committee memberships

University of Georgia:

Within the Department of Educational Psychology and Instructional  
Technology

Jamilia Blake (School Psychology, Graduated)  
Sangwon Kim (School Psychology, Graduated)  
Nick Polizzi (School Psychology, Graduated)  
Kyongboon Kwon (School Psychology, Graduated)  
Mauricio Garcia (School Psychology, Graduated)  
Justin Miller (School Psychology, Graduated)  
Meghan VanDeventer (School Psychology, Graduated)  
Amber Brueggeman (School Psychology, Graduated)  
Colby Butzon (School Psychology, Graduated)  
Greg Clanton (School Psychology, Graduated)  
Beth Meisinger (School Psychology, Graduated)  
Juliana Bloom (School Psychology, Graduated)  
Cheryl Hendry (School Psychology, Graduated)  
Will Lindstrom (School Psychology, Graduated)  
Kelly Robinson (School Psychology, Graduated)  
Karen Talley (School Psychology, Graduated)  
Spomenka Calic-Newman (School Psychology, Graduated)  
Carlin Miller (School Psychology, Graduated)  
Kiran Narker (Gifted Education, Graduated)  
Catherine Schreiber (Gifted Education, Graduated)  
Dorothy Glass (School Psychology, Graduated, EdS)  
Katie King-Vogel (School Psychology, Graduated)  
Mary Lutz (School Psychology, Graduated)  
Matthew Lovelace (School Psychology, Graduated)  
Ethan Schilling (School Psychology, Graduated)

Outside of Educational Psychology

E.J. Kim (Special Education, Graduated)  
Gabriela Anton (Special Education, Graduated)  
Christopher Martin (Special Education, Graduated)  
Kevin Ayres (Special Education, Graduated)  
Carolyn Stevens (Special Education, Graduated)  
Katie Devine (Clinical Psychology, Graduated)  
Amy Spriggs (Special Education, Graduated)  
Diana Hammond (Special Education, Graduated)  
Candice Southall (Special Education, Graduated)

University of Kentucky

Within Department of Educational, School, and Counseling Psychology

Venus Wong (School Psychology, In progress)

Lauren Hargraves (Educational Psychology, In progress)

Outside of Educational, School, and Counseling Psychology

Jessica Miskelly (Music, In progress)

Outside Examiner

Richard Pond (Psychology, Graduated)

**II. Scholarly Activities**

**Publications**

(\* - Peer reviewed)

(\*\* - Invited)

i. Books authored or co-authored.

Campbell, J. M. (in preparation). *Psychological assessment of children with autism spectrum disorders: A purpose-based approach*. New York: Wiley.

ii. Books edited or co-edited.

Strickland, D. C. (2010). National Institutes of Health. *Multimedia tool for psychology graduate student ASD assessment training*. \$1,272,000. Role: Consultant.

Stoneman, Z., Campbell, J. M., Greenberg, D., & Gallagher, P. (2010). Association of University Centers on Disabilities: Centers for Disease Control & Prevention. \$200,000. *Early identification and connection to services among low income, low literate urban parents*. Role: Co-Principal Investigator.

Campbell, J. M., Tolbert-Bernard, M., Recesso, A., & Donald, J. (2009). Organization for Autism Research, \$60,000. *University of Georgia – Carolina Autism Resource and Evaluation Center (UGA-CARES): A Collaborative Autism Screening Project Utilizing Web-Based Technology*. Role: Principal Investigator.

Ayres, K., & Campbell, J. M. (2005). Organization for Autism Research, \$29,731. *Improving Social Skills Using Computer-Based Intervention*. Role: Co-Principal Investigator.

Campbell, J. M. (2004). Organization for Autism Research, \$29,915. *The New Friendship Study, Part III: The influence of information on middle school students' attitudes and behavioral intentions toward a peer with autism*. Role: Principal Investigator

Campbell, J. M. (2003). University of Georgia Research Foundation, \$5,333. *The New Friendship Study: The influence of social status and information on attitudes and behavioral intentions toward a peer with autism*. Role: Principal Investigator.

### Submitted, Under review

Harrison, A. J. (2015). NIH. *Development and Psychometric Evaluation of the Autism Stigma and Knowledge Questionnaire (ASK-Q)*. Role: Consultant.

Submitted, Not funded

Crimmins, D., Graybill, E., Greenberg, D., & Feinberg, I. (2015). *Optimizing parent action on receiving the LTSAE Milestone Moments booklet: Exploring messaging, reminders, literacy, and the theory of planned behavior*. Role: Consultant.

Flanagan, S. (2014). NSF. *Exploring Written Expression on Lab Reports with a Smart Technology*. Role: Co-Principal Investigator.

Campbell, J. M., & Grisham-Brown, J., & Adamkin, S. (2014). *LTSAE in Early Child Care: Acceptability, Feasibility, and Effectiveness with Providers serving Families of low SES*. Role: Principal Investigator.

Ayres, K. A. (2012). IES. *iSkills: From development to efficacy*. Role: Consultant.

Ruble, L., Spriggs, A., Knight, V., Hammond, R., & Campbell, J. (2012). Autism Speaks Community Services Grant Competition. *Social skills assessment and interventions in schools: The UK peers for supporting autism (PERFECTA) workshops*. Role: Investigator.

Call, N. A., & Campbell, J. M. (2012). NIH. *Factors affecting caregivers' choice of treatments for their children with ASD*. Role: Co-PI.

Campbell, J. M., & Vess, S. F. (2009). NIH. *An Initial Efficacy Study of Parent-Child Interaction Therapy (PCIT) for Preschool Children with High-Functioning Autism Spectrum Disorders*.

Campbell, J. M. (2007). Organization for Autism Research, \$30,000. *Efficacy of early intervention for children with autism: Outcomes from comprehensive treatment programs*.

Campbell, J. M. (2006). Autism Speaks, \$100,226. *Efficacy of early intervention for children with autism: Developmental outcomes from comprehensive treatment programs*.

Vess, S., & Campbell, J. M. (2006). Organization for Autism Research, \$30,000. *Evaluating the efficacy of Parent-Child Interaction Therapy for children with Autism Spectrum Disorders*.

Campbell, J. M. (2003). Spencer Foundation, \$32,799. *The New Friendship Study, Part II: The influence of information source on peers' attitudes and behavioral intentions toward an unfamiliar child with autism*.

Student-initiated grant funding

Simmons, C. A., & Campbell, J. M. (2012). Organization for Autism Research, Graduate Research Grant Program, \$1,000. *Evidence-based practice in homeschools: Identifying needs and developing parent training.*

Barger, B. A., & Campbell, J. M. (2010). Organization for Autism Research, Graduate Research Grant Program, \$2,000. *Temperament in autism: A study using the Inventory of Children's Individual Differences.*

Segall, M. J., & Campbell, J. M. (2009). Organization for Autism Research, Graduate Research Grant Program, \$2,000. *Factors influencing the educational placement of students with Autism Spectrum Disorders.*

Segall, M. J., & Campbell, J. M. (2007). Organization for Autism Research, Graduate Research Grant Program, \$1,000. *Factors relating to educational professionals' classroom practices for the inclusion of students with Autism Spectrum Disorders.*

Vess, S., & Campbell, J. M. (2006). Organization for Autism Research, Graduate Research Grant Program, \$2,000. *Evaluating the efficacy of Parent-Child Interaction Therapy for children with Autism Spectrum Disorders*

#### **Recognitions and outstanding achievements.**

Van Vleet Memorial Doctoral Fellowship, The University of Memphis, Graduate School, 1997-98; 1998-99.

Letter of Commendation for Outstanding Performance, Clinical Faculty, The University of Memphis, Department of Psychology, 1998.

Peak Performer Award, College of Education and Allied Professions, Western Carolina University, 2007.

Nominated for Outstanding Teaching Award for University Honors Day, 2010.

Outstanding Teaching Award for University Honors Day, 2011.

#### **Areas in which research is done.**

1. Peers' social relationships with children with autism spectrum disorders.
2. Early detection and differential diagnosis of autism spectrum disorders.
3. Behavioral treatment of autism spectrum disorders.
4. Psychometric validation of assessment instruments and interpretive strategies.

#### **Editorship or editorial board member of journal or other learned publications.**

Journals.

Editorship and Editorial Board Member:

*Focus on Autism and Other Developmental Disabilities*  
Editorial Board Member, 2013 – Present.

*Journal of Developmental and Physical Disabilities*  
Editorial Board Member, 2011 - Present.

*Journal of Pediatric Psychology*  
Editorial Board Member, 2002 to 2007.

*Journal of Psychoeducational Assessment*  
Editorial Board Member, August 2001 to present.

*Journal of School Psychology*  
Editorial Board Member, 2007.

*Psychological Assessment*  
Editorial Board Member, 2009.

*Review Journal of Autism and Developmental Disorders*  
Editorial Board Member, 2014 - Present.

*School Psychology Quarterly*  
Associate Editor, 2007 – 2011.

*School Psychology Review*  
Editorial Board Member, 2015 – Present.
